

HAPPY HOLIDAYS !!

BEAT
THE HEAT

Despite the hot sun
We can still have a lot of fun.
With ice cream scoops,
Unfolding our assignment loops,
Whenever our spirit droops.
We can have watermelons and jellies,
to joyfully fill our bellies.

Dear Parent's

As we all know that holidays mean joy and fun for all of us. We heartily wish that these vacations will bring lots of freshness , wonderful experiences, positivity and memorable moments to our little minds. As it is said “ we worry about what a child will become tomorrow yet we forget he is someone today”. So keeping this view in mind we have designed the activity based home assignment ,which aims to observe how far the children have understood the concepts already taught in class , also to develop their understanding by exploring the world around them.

Parents are requested to follow the guidelines given below:

- Encourage your ward to wake up early in the morning.
- Encourage him/her to greet the elders with 'Good Morning', 'Good Afternoon' & 'Good Night'.
- Facilitate the usage of sentence like: May I go for convenience, May I quench my thirst etc.
- Inculcate the habit of using Please, Sorry, Thank You in your ward & try to converse in English with your child.
- Take your child for an outing at least once a week.
- Encourage your child to drink lots of water ,eat fresh fruits and green vegetables to beat the heat. Avoid giving junk food and aerated drinks.
- Encourage your child in learning skills like : Tying up of shoe lace, putting on socks, dressing and undressing himself/herself, folding apron and napkin.
- Read a story for your child everyday with proper actions and voice modulation.
- Interact with your child vocally as well as through body language, whenever together - be in a market, on road, in the multiplex, while travelling by any mode of transport etc. Keep on answering their queries with full enthusiasm.
