

## **PARENTAL CIRCULAR REGARDING MATHEMATICS WORKSHOP**

Dear Parent,

**20<sup>th</sup> July,2017**

We believe that learning is a continuous and an ongoing process of actively making sense of the world. The learning environment we create at home and school is crucial to support child's learning. Therefore it is our endeavor to empower ourselves as parents and teachers to be instrumental in the process of learning we extend an invitation to you for a mathematics workshop/open discussion session with the teachers. This will give you an opportunity to familiarize yourself with the child's way of learning with teacher, peers and the learning material. We will discuss our observations/concerns and co-create meaning.

**The Venue for the workshop will be in ROOM NO \_\_\_\_\_ .Kindly be seated by 8:30am(sharp)on Saturday,22 JULY ,2017so that it could be commenced at the earliest.**

**A Formal PTM has been scheduled till 12.00 noon after the workshop to discuss about your ward's status.**
