Dear Parent,

22nd February, 2018

This is to inform you that as per CBSE directives a student of Class IX has to choose two languages in place of three language subject which is prevalent in Classes VI-VIII. Now your ward has to study ENGLISH (Compulsory First Language subject) and FRENCH/HINDI/SANSKRIT out of these any one subject as Second Language.

- Your ward can opt for FRENCH/HINDI or SANSKRIT in Class IX and vice versa.
- The choice of second language should be opted based on the long term benefit of the language chosen.
- The school shall offer HINDI/SANSKRIT/FRENCH language option only till class X and thereafter in Class XI/XII he/she will be offered Hindi Language.
- In case your ward wishes to appear for competitive exam for government job then studying HINDI language till class X will prove beneficial for your ward.

You are therefore requested to fill in the consent slip and submit at the earliest by 24th March, 2018 so that we can allot the subject to the students accordingly.
